## Arctic Zone Sports Towel and Pouch - Grey

Product Name: Arctic Zone Sports Towel and Pouch - Grey

Manufacturer: -

Model Number: PGIFTSZGIFT-17162

100 ( l ) x 30 ( w ) • 55% nylon & 45% polyester The incredible Arctic Zone Sports Towel is specially constructed to maximise the cooling power of rapid evaporation. Worn around the neck or head to stay cooler for longer, this towel is ideal for use when playing sports, jogging, walking, biking, at the gym or working outdoors. This sports towel is made from a blend of 55% Nylon and 45% Polyester, which produces rapid evaporation for a powerful natural and chemical free cooling reaction. When wet, the towel will cool up to 15 degrees below the outdoor temperature in seconds and cooling will last as long as the towel remains wet. Please do take note that because the towel is grey, the sublimated logo will be slightly duller than had it been sublimated on a white towel. Whilst the logo will still look excellent, it is important to be aware of this point.
