Micro Hybrid Helicopter 140 - Black or red

Product Name: Micro Hybrid Helicopter 140 - Black or red

Manufacturer: -

Model Number: TGS1021

This Hybrid Micro Helicopter is made from durable, impact proof plastic and is the perfect gift for kids 8 years and over. The Hybrid can either be driven on land or flown in the air - you decide!

Incorporating a 3 Channel Transmitter, this Indoor Micro Hybrid drives on land or flies in mid air! Flying time is around 5-8 minutes and the unit charges directly from the transmitter. A coaxial rotor blade design ensures a stable and easy flight and the impact proof plastic ensures you can make a few crashes while mastering the controls! The Hybrid also features flight lights to amuse the kids... or yourself!
