

Mini X-Launcher

Product Name: Mini X-Launcher

Manufacturer: -

Model Number: TGS1108

X-z-ylo unofficially broke the world flying disc distance record when it was thrown 655 feet. NASA scientists, renowned aerospace engineers and academic institutions have met with the makers of the X-z-ylo, the William Mark Corporation, and studied X-z-ylo fascinating flight technology, yet no consensus has been reached on how X-z-ylo actually flies.

X-z-ylo Ultra

X-z-ylo is the incredible flying gyroscope that has been thrown the length of two football fields! Its flight is simply unbelievable--the ultimate game of catch!

X-Zylo Ultra

Rated the best flying toy in a Christian Science Monitor field test, the X-z-ylo has flown onto the outdoor recreational scene as one of the most exciting games of catch. It was invented by Mark Forti, a Baylor University student, and refined within the aerospace industry.

X-z-ylo unofficially broke the world flying disc distance record when it was thrown 655 feet. NASA scientists, renowned aerospace engineers and academic institutions have met with the makers of the X-z-ylo, the William Mark Corporation, and studied X-z-ylo s fascinating flight technology, yet no consensus has been reached on how X-z-ylo actually flies.

X-z-ylo has been featured on many television programs such as "Beyond 2000", "Science Times", and "Live With Regis and Kathie Lee" as well as in numerous national and international news publications including the Los Angeles Times, Success Magazine, The Christian Science Monitor, and the New York Times.

Mini X-Launcher

Launches Mini X-z-ylos up to 150 feet!

Mini X-z-ylos spin as they magically soar through the air!

Just pull back the handle, twist, and let it fly! Comes with launcher and two Mini X-z-ylos!

Hint: To launch the Mini X-z-ylos the greatest distance possible, pull the handle back as far as you can, then twist it about 1/4 of a turn. Make sure the bottom of the Mini X-z-ylo is resting on the red square. Now let go!

Mini X-Launcher

Aerobie Rocket Football

The Aerobie Rocket football's patented curved fins and small diameter create spectacular spirals and long distance flights. Its curved fins push the ball into a spiral even when the thrower barely spins it. Great for kids as young as three. Right handed throws only.

Size: 6 inches long. Available in various 2-tone colors. Ages 3 and up.

Aerobie® Squidgie Ball

Squeeze the Aerobie Squidgie ball and you won't want to let go. Made of soft molded rubber fins, the Squidgie ball is designed for kids as young as three but players of all ages enjoy it both indoors and outdoors. Ideal for learning to play catch. Floats in water. Dogs love it.

Available in yellow, blue, purple, magenta, orange, green, and glow in the dark. Ages 3 and up.

Quality made in the U.S.A

Squiggly Dudes

Squiggly Dudes are fun and laughable throw toys that squiggle through the air for zany games of catch.

Squiggly Dudes are curious creatures originating from the remote island of Great Squiggilia. They exhibit their unusual flight patterns to confuse predators. Squiggly Dudes quickly bond to their owners and like to please by making unique squiggly motions through the air. No two Squiggly Dudes squiggle exactly the same way! Explore the island of Great Squiggilia.

Collect all six Squiggly Dudes™ species: Dizzy, Fizzle, Dudley, Ned, Snitch and Hooligan!

Hang Glider Jack

Hang Glider Jack is a unique flying replica of a real hang glider. He folds up, launches sky high, and pops open to soar and glide to the ground! It's the only one of its kind.

- * Launches sky high
- * Pops open and soars gracefully to the ground
- * Made with real hang gliding material
