Panic Button - Get out your aggravation without breaking your ke

Product Name: Panic Button - Get out your aggravation without breaking your ke

Manufacturer: -

Model Number: ng33

Quite possibly the most important key on your keyboard! Though not just for computers, the Panic Button is a vital - if somewhat pointless - addition to everyone's desk. It doesn't do anything of course, but you feel a lot better having a button to stab at when everything goes to pot. Stick it on your keyboard, your dashboard, possibly even your ironing board, and get instant relief from life's little emergencies. Comes with a self-adhesive pad on the base Size: ~1.5cm x 1.5cm x 1cm Weight:
