When you want to annoy the knickers off someone who takes golf too seriously, these ludicrous balls will do the trick nicely. The set comprises four balls, each of which does something stupid when you hit it. The Exploder, shown in the picture, blows up into a spectacular cloud of billowing white dust. The Phantom basically vanishes on impact into a watery mist. The Jet Streamer ejects 15 feet of spiralling streaming ribbon when thwacked, and the Unputtaball simply won't go in a straight line on the green - however you hit it, it wobbles all over the place. Four great little one-hit wonders to liven up your next round. Features Four balls 1 Exploder 1 Jetstreamer 1 Unputtaball 1 Phantom Ball Box Size: 7 x 2 x 2cm Individual golf balls 4cm diameter
