Aramon² is the ideal protective skin for laptops on the move. This collection offers the ideal solution for protection of your laptop. The Aramon² is made from highly flexible SBR Material and features rubber grip dots, that offer anti-slip and additional grip.

Comfort and practicality are the focus of the the collection. There is no need to take off the sleeve while working on the laptop. All Aramon² laptop sleeves are designed to be Checkpoint-Friendly. With this special feature the laptop sits in a special compartment, allowing the traveller to breeze through airport security without removing the laptop from the bag.

Why use a sleeve?: Use it with your laptop in any bag: handbag, luggage etc to ensure maximum protection and minimal scratching.

Rubber grip dots offer anti-slip and additional grip

Made of highly flexible SBR material (Styrene Butadiene rubber)

All sleeves feature a Protective zip cover that gives additional scratch protection
