MUSIC & TALK MEETS THE STREETS

Bluetooth just got cool thanks to

Jabra STREET. Not only does it look good, it sounds great. Finally a product that lets you listen to music from your mobile - without damaging your style!

Jabra STREET plays music from any

enabled device such as mobile phones and Mp3 players. Play, pause, skip - remote control your music without touching your mobile.* Yep, that's right - no wires!

No need for phone envy - keep it

in your pocket! When a call comes in, your tune pauses and the call connects. A microphone in the dog tag picks your voice up, loud and clear. No hands, no missed calls.

The dog tag design keeps the

wearing style simple. But if it doesn't fit your wardrobe, use the optional clip. Your belt, your bag, your pants - you choose the look, you choose the style.
