Flashback to the glory days of gaming with iCade! iCade integrates your iPad into an authentic, arcade-style cabinet complete with joystick and buttons! Impress your friends, family and co-workers with iCades great-looking retro design, and then challenge them for high-scores on the most entertaining iPad accessory imaginable!

Flashback to the glory days of gaming with iCade! iCade integrates your iPad into an authentic, arcade-style cabinet complete with joystick and buttons! Impress your friends, family and co-workers with iCades great-looking retro design, and then challenge them for high-scores on the most entertaining iPad accessory imaginable!

iCade's specially designed cradle ensures safe loading and unloading of your iPad, while also providing a solid, secure fit even during the most intense game-play sessions. Furthermore, the cradle offers an ideal screen-viewing angle and quickly connects iCade's top-quality arcade controls directly to your iPad wirelessly. Once iPad is in place, simply launch any supported iCade-compatible app and it's game on! iCade is compatible with 100

Atari classics including Asteroids, Centipede, and Battlezone. All are available as in-app purchases when you download the free Atari Greatest Hits app. Plus, new and existing apps can be easily updated to work with iCade. Grab hold of iCade's full-sized joystick and smash the eight arcade buttons for commanding control of iPad's on-screen action. This truly unique arcade cabinet game-controller for iPad will provide hours of action and nostalgic fun for years to come. Enter the iCade and go back to the future!
