## Shock Gag Pen

Product Name: Shock Gag Pen

Manufacturer: -

Model Number: GIZMO39

This pen uses a AAA battery to deliver a shock to your unsuspecting victim. Just press down on the click button, and "BZZZZZZT!" The gag potential with this little pen certainly is great! This little gadget is a true classic! Having trouble with other people always "borrowing" your pen and never returning it? This shock pen will make them think twice before EVER taking your pen again! This is a real pen when you turn it. But if you hand the pen to your friends or co-worker, they will just push (press) the lid and get a electric shock! It is strong enough to make him or her scream!! This pen looks and feels like a high quality pen until you press the lid. Remember you can use it when you turn it. Warning! Emits electrical shock, it may interfere with electrical devices. keep out of reach from children or age over 50. Do not use with anyone with pacemaker.
