Serengeti Alto Henna Polarmax Drivers Sunglasses

Product Name: Serengeti Alto Henna Polarmax Drivers Sunglasses

Manufacturer: Serengeti

Model Number: S6842

They said it couldn't be done. A lightweight alternative to glass that doesn't sacrifice our premium lens technology. Meet PolarMax™, a patented polycarbonate lens with photochromic properties, superior polarization and premium anti-glare coatings. Available in PolarMax Drivers™ and Polar Max CPG™ (cool photo grey) lens colors. Only from Serengeti. Features: • Base Curve: 8 • Temple Length: 130mm/Spring Hinges • Lens Size: 57 x 34 x 57mm, DBL 18mm • Polycarbonate lens material is virtually shatterproof, ultra-lightweight and 20 times more impact resistant than glass • Photochromic lenses automatically darken and lighten for superior definition and needed contrast • Polarizing film eliminates glare and reduces eye fatigue by organizing how the light comes through the lens
