## Harman / Kardon BT

Product Name: Harman / Kardon BT

Manufacturer: -

Model Number: TGS2003

2D folding mechanism for portability

Premium carrying case that can slip easily into bags or briefcases

Part of Harman Kardon's first-ever line of headphones

Superior Bluetooth technology

Advanced audio coding and apt-X coding ensures that you get the highest-quality wireless audio.

Excellent acoustic performance

The wide dynamic range reproduces music with realism, and the bass tube produces exceptional bass response. Uninterrupted listening experience

You can charge the headphones on the go with a supplied USB cord, which eliminates the need for external batteries or an extra charger. And even if the charge should run out, you can still use the headphones with the included bypass cable.
