

## Jabra Sport

Product Name: Jabra Sport

Manufacturer: -

Model Number: TGS2014

The Jabra SPORT Bluetooth Stereo Headset with built-in FM radio, provides wireless freedom and is the perfect companion to your workout routine.

Exercise is about freedom, about pushing limits and enjoying doing it. Some people like to exercise while listening to music, some talk on the phone. With the Jabra SPORT Bluetooth® stereo headset it's easy to do both – and without the hassle of headset wires that slow you down. You simply stream music and calls via Bluetooth to it.

With the Jabra SPORT you get exceptional music and call sound quality. It has A2DP, AM3D Power Bass audio enhancement and a wind-shielded microphone and Virtual Surround Sound audio enhancements. It also has a built-in FM radio so you can tune in to your favourite station while you work out.

The Jabra SPORT is ultra-light and easy to wear. With a choice of different ear gels and a flexible behind-the-ear fit, it stays firmly Eargels™ and comfortably in place. It's also tough. With Military Grade Rain, Dust and Shock Protection it is fit for any challenge, indoors or outdoors.

The Jabra SPORT comes with a free download of Endomondo Sports Tracker, a running application for smartphones with proprietary features designed specifically for the Jabra SPORT, including the ability to get quick and easy status updates on speed, distance and lap time simply by tapping the headset.

Listen to music or take phone calls

Built-in FM radio allows you to exercise to your favorite radio station

US Military Grade rain, shock and dust protection

Experience a secure and comfortable fit

Exercise in any environment and not worry about sweat ruining your headset

Hear powerful bass sound

Works with the most popular health and fitness apps

### Your New Training Partner

Exercise is about freedom, so why spoil it with a corded headset that ties you down?

Running to your own soundtrack

With today's smartphone technology, you don't have to choose between listening to music and talking on the phone. You can do it all, with one mobile device. So you need a headset that gives you the same multi-tasking opportunity.

The Jabra SPORT headset does just that. Listen to your own music while getting in your workout routine. The headset is equipped with a powerful bass component, so you get excellent sound quality, both for calls and music. The built-in microphone is wind-shielded, so the wind only blows through your hair, not in your caller's ear.

### A little rain never stopped you

Rain, sleet, snow; your workout doesn't wait for good weather. Now your headset won't either. Jabra SPORT is built with US Military-grade rain, dust and shock protection. It can go wherever your workout takes you and has sweat resistant materials for tough workouts.

## Jabra Sport

### Exercise the way you want

There's nothing worse than getting tangled in wires while you're working out. You want to stay connected, but not literally. Jabra SPORT is a wireless Bluetooth® headset. So you can stream music and calls directly to the headset. And the headset's unique, behind-the-ear fit ensures that it doesn't get in your way.

Jabra SPORT works with all phones, Mp3 players and tablets. So whatever type of device you own, Jabra SPORT can be your headset of choice.
