PXC 310 BT (Bluetooth)

A pair of PXC 310 BT headphones makes for great travel companion for those who constantly demand quality sound.

Like the PXC 310 headphones, these closed, mini headphones are equipped with NoiseGard™ 2.0 active noise cancellation technology as well as TalkThrough function. But the PXC 310 BT goes a step further with its Bluetooth® 2.1 wireless transmission which offers an optimised performance when paired with a Sennheiser Bluetooth adapter (sold separately).

These headphones offer a collapsible design with metal-reinforced headband, and come with integrated track and volume controls on the right earcup for enhanced usability and convenience. An extensive set of accessories - audio cable, inflight adapter, multi-country charger, rechargeable lithium polymer battery and carrying case - completes the package.
