In & Out Charger - PPD500 (5,200mAh) - Black & Red

Product Name: In & Out Charger - PPD500 (5,200mAh) - Black & Red

Manufacturer: -

Model Number: TGS2206

The In & Out is a high capacity, sleek looking, portable battery pack that provides hours of extra power for your gadgets and other electronic portable devices. It includes 8 connector tips which makes it suitable for most smart phones, MP3 players, PSPs as well as tablets.

"Hold on a second, my battery's about to go..." We've all been there and it's infuriating, isn't it? But it's not just mobile phones that have a habit of running out of juice when you least expect it; this is the age of portable gadgets, smart phones, PSPs, iPods, tablets and digital cameras, and all require power. So what do you do when your battery's kaput and you're nowhere near a power source? Reach for your In & Out!

The In & Out is a sleek looking device that provides hours of extra power for you portable devices. It includes 8 connector tips which makes it suitable for most smart phones, MP3 players, PSPs as well as tablets.
