Lid Sid

Product Name: Lid Sid

Manufacturer: -

Model Number: TGS2272

Lid Sid will keep the covers of your pots and pans open when they need some air, and will raise smiles whenever you use him?.

The cute Lid Sid helper offers one effective way to let off some steam in the kitchen. It doesn't involve cooling down emotionally, however. Instead, the Lid Sid pot accessory literally lets out steam since it props up the pot's lid when letting food simmer.

Lid Sid pot accessory is an adorable addition to any cooking arsenal. It adds a playful aspect to the often tedious and time-consuming activity while bringing some character to the kitchen itself. Available in packs of two with a red and white Lid Sid inside.

Perfect for any home, this cooking tool will have people smiling in no time.
