## Ubooly

Product Name: Ubooly

Manufacturer: -

Model Number: TGS2283

Ubooly is a magical stuffed animal powered by your iPhone or iPod touch. He is sure to become your child's virtual best friend forever! He is smart and funny and has some fun games to play! He tells jokes and stories and is sure to keep your child entertained!

\* Green & Pink Coming Soon.

Ubooly is the brand new stuffed animal that powered by your iPhone or iPod touch. Ubooly not only listens to kids, but also has a lot to tell your child. Ubooly loves to play interactive games, "choose your own adventure" stories, and hilarious jokes. Unlike most apps, Ubooly shifts the focus from the screen to children's imaginations through "play pretend" activities, word games, and other creative games. Best of all, those games and activities keep on coming through monthly FREE updates through the app over Wi-Fi.

Parents can also rejoice that their devices will protected from bumps and drops with Ubooly's special memory foam filling. What's not to love about this little fuzz ball? Ubooly is designed for ages 4-9, and is compatible with iPhone & iPod touch (see compatibility below).

Warning: You may never get your phone back!
