Gear Tie 32"

The big kahuna of our Gear Tie family, the Nite Ize 32" Gear Tie is serious about organization, in a fun kind of way.

The perfect size for the biggest organizational jobs in your home, garage, garden, and tool shed, the Nite Ize 32" Gear Tie wraps garden hoses, lawnmower and industrial vacuum cords and hoses, sleeping bags--all of the big stuff, in a cinch. Its flexibility (it has a sturdy, bendable interior wire and a durable, waterproof rubber exterior) make it endlessly versatile and useful. Wrap one end around a hook or branch, and the other around your waders, and hang them upside down to dry wherever it's convenient. Great for securing uneven bundles of nearly every size. Available in packs of two.
