Model Number: TGS2299

Quirky is a new type of socially developed product company founded with the vision of making invention accessible. Quirky believes the best ideas in the world aren't actually in the world... they're locked inside people's heads. They exist to solve that problem.

PRODUCTS INVENTED BY REAL PEOPLE LIKE YOU...BECAUSE REAL PEOPLE KNOW WHAT'S UP

Quirky believes the best ideas in the world aren't actually in the world...

they're locked inside people's heads. They exist to solve that problem.

Quirky's community members, inventors and product "influencers," ultimately share its financial success with them. Headquartered in New York City, Quirky brings products to the marketplace through interaction between its active online global community and Quirky's expert product design staff, bringing to life ideas from their earliest stages to store shelves.

PORTION - Measure & Mix

A set of nylon cooking spoons with lines for measuring smaller quantities.

When cooking, you use measuring spoons to dole out your ingredients, then a spoon to stir them all up. Why not simplify? Portion spoons allow you to measure, mix and serve with the same utensil, then hang from a hook, reducing kitchen drawer clutter.

Features

Large nylon spoon with graduated lines that indicate a teaspoon, a tablespoon, and two tablespoons measurements.

Small nylon spoon with graduated lines that indicate a quarter teaspoon, a teaspoon, and two teaspoons measurements.

Made of food-safe nylon.

Dimensions

Large spoon: 13" long x 2.5" wide

Small spoon: 8.5" long x 1.75" wide

Price: R142.80
