Model Number: TGS2301

Quirky is a new type of socially developed product company founded with the vision of making invention accessible. Quirky believes the best ideas in the world aren't actually in the world... they're locked inside people's heads. They exist to solve that problem.

PRODUCTS INVENTED BY REAL PEOPLE LIKE YOU...BECAUSE REAL PEOPLE KNOW WHAT'S UP

Quirky believes the best ideas in the world aren't actually in the world...

they're locked inside people's heads. They exist to solve that problem.

Quirky's community members, inventors and product "influencers," ultimately share its financial success with them. Headquartered in New York City, Quirky brings products to the marketplace through interaction between its active online global community and Quirky's expert product design staff, bringing to life ideas from their earliest stages to store shelves.

STEM - Tap the Flavour

Spray it, don't squeeze it! Stem is designed to allow a cook to spray juice directly from a citrus fruit. No longer do you have to cut and squeeze your fruit to get the juice out like a common cook. With only one finger you can now spray citrus juice on your favorite foods evenly. Let Stem add a little zest in your kitchen and on your food!
