Quirky is a new type of socially developed product company founded with the vision of making invention accessible. Quirky believes the best ideas in the world aren't actually in the world... they're locked inside people's heads. They exist to solve that problem.

PRODUCTS INVENTED BY REAL PEOPLE LIKE YOU...BECAUSE REAL PEOPLE KNOW WHAT'S UP

Quirky believes the best ideas in the world aren't actually in the world...

they're locked inside people's heads. They exist to solve that problem.

Quirky's community members, inventors and product "influencers," ultimately share its financial success with them. Headquartered in New York City, Quirky brings products to the marketplace through interaction between its active online global community and Quirky's expert product design staff, bringing to life ideas from their earliest stages to store shelves.

VINE - Keep Your Wine In Line

Put a cork to your bottles rolling around in the fridge with the simple-but-elegant Vine.

When refrigerator or counter space is tight, you can store your favorite bottle horizontally by slipping Vine over its neck, creating a quick and easy anchor to keep the container in place. Even better, Vines are a breeze to stack and store when not in use. Let the good times roll—not your bottles!

Features

Easily slides and secures onto bottle necks

Fits standard 750ml bottles and larger

2 in a pack
