

## Fenix PD20 R5

Product Name: Fenix PD20 R5

Manufacturer: -

Model Number: TGS2350

Fenix will only allow the best and most innovative products to make it to market. Products that do not meet their strict standards are never released. Fenix has always dedicated itself to enhancing their product's quality, workmanship and performance.

The Fenix brand are one of the most exciting ranges of LED Torches to hit the market in recent years. These high quality flashlights have everything you could ask for; powerful, small, light and water proof with incredibly long battery life. Made from aircraft grade aluminium with an extra tough anodised finish, Fenix Lights are at the cutting edge of LED torch technology.

Fenix PD20 R5

The new Fenix PD20 features a re-designed body with improved knurling and removable pocket clip.

Three brightness levels ensure the optimum brightness / runtime for the task at hand.

Maximum output of 190 lumens from a single CR123 battery.

Utilises a Cree XP-E (R2) LED. Click switch operation.

Waterproof to IPX-8 standard.
