Fenix PD30 R5

Product Name: Fenix PD30 R5

Manufacturer: -

Model Number: TGS2351

Fenix will only allow the best and most innovative products to make it to market. Products that do not meet their strict standards are never released. Fenix has always dedicated itself to enhancing their product's quality, workmanship and performance.

The Fenix brand are one of the most exciting ranges of LED Torches to hit the market in recent years. These high quality flashlights have everything you could ask for; powerful, small, light and water proof with incredibly long battery life. Made from aircraft grade aluminium with an extra tough anodised finish, Fenix Lights are at the cutting edge of LED torch technology.

Fenix PD30 R5

The latest and brightest incarnation of the popular Fenix PD30 now features a Cree XP-G R5 LED that produces an incredibly bright yet smooth beam pattern with no dark spots or rings.

Powered by two CR123A lithium batteries, the PD30 R5 has a maximum output of 257 lumens with 4 output levels allowing the best selection of brightness and runtime.

Water proof to IPX 8 standards, the PD30 R5 also includes a removable pocket clip and nylon belt holster.

Includes Holster, Lanyard, spare o-rings and rubber switch.
