Quirky is a new type of socially developed product company founded with the vision of making invention accessible. Quirky believes the best ideas in the world aren't actually in the world... they're locked inside people's heads. They exist to solve that problem.

PRODUCTS INVENTED BY REAL PEOPLE LIKE YOU...BECAUSE REAL PEOPLE KNOW WHAT'S UP

Quirky believes the best ideas in the world aren't actually in the world...

they're locked inside people's heads. They exist to solve that problem.

Quirky's community members, inventors and product "influencers," ultimately share its financial success with them. Headquartered in New York City, Quirky brings products to the marketplace through interaction between its active online global community and Quirky's expert product design staff, bringing to life ideas from their earliest stages to store shelves.

KEEPER - Out of Pocket

Keeper is a leather card case that fits onto an iPhone 5, providing the utility of a wallet without the added bulk. Simply clip the case onto the back of your device for instant storage on the go, including two credit cards slots and an open window slot for an ID. Combining a smooth leather surface and easy-open clasp with a protective shell, Keeper seamlessly blends the aesthetics of a phone case and a wallet, with no good feature left behind.

Features

Three card slots for credit cards and ID

Leather wallet flap to keep cards safe and secure

Plastic hard case for additional protection
