Edifier Portable Music Player Iron Grey

Product Name: Edifier Portable Music Player Iron Grey

Manufacturer: -

Model Number: PGIFTS6HMP19

Crisp dynamic sound and more The MP19 is a fully portable and compact audio solution with up to 24 hours music play via the built-in Li-ion rechargeable batteries. The MP19 is equipped with a large LED display that allows users to easily navigate between the Digital FM Radio, Micro SD card and the Auxiliary input. The large function buttons make navigation and daily use simple and easy to use. The built-in headphone output jack allows this compact system to be used as a personal portable audio companion. Powerful and crisp 4 Watt RMS sound output - Pump up the music. Neodymium Speaker Drivers 48mm Aluminum drivers with Neodyium magnets assures the best audio sound performance. Local MP3 Music Playback Store up to 8000 MP3 Tracks for local Music Play with Micro SD Card up to 32GB - not included. Rear Passive Bass Radiator The MP19 Passive Bass Radiator increases the low frequency response (Bass) of the speaker system. The Bass Radiator gives the MP19 the comparable performance characteristics of a much larger system. Convenient Charging Charge the MP19 built-in Lithium Iron rechargeable batteries with the supplied Micro USB to USB cable from any PC or Laptop or from any 5v USB Cell Phone charger. Product Highlights Digital FM Radio Up to 24 Hour play LED Display Micro SD card Mp3 player Headphone output Aux input – Play music from Mobile Phone, Tablet, iPod, PC or Laptop Large function buttons easy to use Built-in 2200mAh rechargeable battery
