The Kooshty Kup, with its colourful silicone lid and grip band, is a fun and practical glass cup for the home or the office, and is ideal for those on-the-go moments, fitting comfortably inside your vehicle's cup holder.

The ergonomically designed, splash safe silicone lid ensures no mess and no fuss. It is bright and colourful and easy to drink from. The funky silicone band keeps your drink warmer for longer and provides a firm grip of the glass.

Made from strong borosilicate glass, the Kooshty Kup is an eco-friendly alternative. This material is tough, lightweight and 100% BPA free. You can feel safe knowing that this cup is dishwasher and microwave friendly.

The Kooshty Kup's' cyclonic base ensures that sugar and other additives flow to the centre of your drink and dissolve effectively, essentially crafting that balanced flavour.

In this unique set is a convenient and easy to use coffee plunger. All you require is some water and ground coffee and you are well on your way to enjoying a home brewed cup of coffee. This satin finish plunger has a 2 - cup capacity and an easy to grip handle. The carafe is made from strong borosilicate glass.
