## Shocking Liar

Product Name: Shocking Liar

Manufacturer: -

Model Number: Gadget57

The best lie detector of the century!! If you lie you are in for a shock – literally!! Strap your victim in and follow the set up procedure, then start the questioning. If they tell a lie the machine will zap them with a well deserved shock!! They may be able to get away with a few small lies but it will catch up with them and when it does you can watch them scream with shock!! Not for the faint hearted. Not recommended for children under 14 years of age. Read warning panel before use. This item is not a toy.
