Omni Massage Roller

Product Name: Omni Massage Roller

Manufacturer: -

Model Number: pgg066

The Omni Massage Roller is an utter joy to use, and simply heaven on aching muscles. Its unique design makes it the most flexible rolling massager we've ever seen. The smooth rolling ball is effective through clothes as well as directly onto the skin, so you don't have to strip off at the office when you're in need of some instant stress relief. And joy of joy - it's water-proof, so now you can leap into the bath and massage away. You can use it as it is, or with creams and massage oil, and with no internal parts, it won't wear out or jam (unlike so many others). Even a completely inept massager can give a great massage with this gizmo, so there are no more excuses! Oh, and you just HAVE to try this on the soles of your feet, it's awesome. The Omni Roller has been tested and approved by Chiropractors, Massage Therapists, Physical Therapists and Sports Trainers nationwide. size: 7 X 7 X 6cm.
