## Love Bug Massager

Product Name: Love Bug Massager

Manufacturer: -

Model Number: pgg077

There are lots of ways to show someone you care, with flowers and chocolates etc., but there are very few that will turn the lucky recipient into a sighing bundle of supine acquiescence. Simply press his nose and his four feet start to vibrate, then apply him to the job of top massager. He's fantastic for aching shoulders, necks and backs, and is simply awesome on your feet. All he needs is a couple of AA batteries and a poke on the nose to get him going. Whether you use him for stress relief, tension relief, muscle relief, or just for a bit of pure self-indulgent pleasure, the Love Bug is not so much a pampering piece of fun, as an absolute necessity!
