Aurora Clock

Product Name: Aurora Clock

Manufacturer: -

Model Number: pgg206

Description: Brighten up these dark mornings with the ambient light of the Aurora! Now available in its second generation, the Aurora has a black LCD screen displaying digits even more clearly. The colour changes each hour, on the hour, so that you don't have to fully register the ungodly hour of the morning. Once you're at one with your Aurora, you'll know what time it is simply from the colour. Colour-changing alarm clock Tactile rubber finish Mains adapter supplied Also runs on 4 x AAA batteries

Price: R812.82
