Prestige Multisheet Wall Calender - Double Wire - A Walk Through

Prestige Multisheet Wall Calender - Double Wire - A Walk Through

Fine art works from the studio of world-famous US artist, John Banovich. With acrylics and oils, John creates memorable scenes from the dramas that play themselves out daily in the natural world, just as they have for millions of years. Like stills from classic movies, his paintings freeze-frame the action and, like all great works of art, they linger in the imagination.

Prestige Multisheet Wall Calender - Double Wire - A Walk Through

Double Wire: This unusual calendar has a stunning selection of 7 fine art reproductions wire-bound at the top, with a separate 7 page date pad wire-bound at the bottom. This enables the user to view any page of the calendar with the relevant month.
