

Disposable Coveralls - IN SA STOCK - Min 250 units

Product Name: Disposable Coveralls - IN SA STOCK - Min 250 units

Manufacturer: -

Model Number: SIM006

disposable polypropylene coverall protects the user's torso, arms, legs and head from the hazards of fine particulate contact in dirty environments.

Spunbound polypropylene is a light weight economical material that offers protection ideally suited for minimal protection applications and has a low hold-out level on fluid resistance.

Special Instructions

This product is intended to protect the head, torso, arms and legs from certain chemicals and fine particles. Ensure that a visual inspection has been conducted prior to use - including checks for holes, tears, defective zippers and material faults. This coverall is for single use only - do not launder for re-use. Note that prolonged wearing of this suit may cause heat stress.

The nature of works as well as the work environment needs to be taken into consideration prior to use of this protective clothing.

In order to protect the whole body, it is advisable to wear protective gloves, boots and face protection together with this product.
