Acrylic sheet that can be cutÂ to your specific size. In this time of COVID-19 tellers, retail counter staff and office employees, required to work and assist the public or work with others in a given area, may need sneeze guards or shields so that they are better protected from the spray of germs. We can laser-cut and fabricate various shapes offering different solutions for the counter, desk and cashier till point. We offer various thicknesses, shapes and designs and our stands are made from either acrylic only or a mix of acrylic and metal.

Pricing is for metal or plastic feet.

Metal frame is available at an additional cost

Price: R795.00
