manufactured in the SADC region

day/night visibility

This item is identical to ALT-11010 and is available immediately, i.e. with no lead times associated (unless branded). Reflective tape is added to all other relevant styles in the Altitude Workwear range upon placing an order and therefore will have an associated lead time.

The industry norm on this product is for the pants of the set to be approx. 2 sizes smaller than the jacket. This product will therefore be sold based on the jacket size. For example, if you place an order for a Size 34, please be aware that the jacket size will be 34 and the pants size will be 30.

Please kindly ensure that sizing has been established correctly before placing an order with us as sets cannot be broken up and will always sold as per the above.

Price: R253.43
